

# Securing Futures

DELIVERING MEASURABLE SOCIAL IMPACT AT THE GRASSROOTS IN RAJASTHAN

**Jagan** Sankalp  
Innovation  
**Foundation**

A unique blend of a Social Enterprise and Think Tank—our social enterprise implements development programmes in rural Rajasthan, while our Think Tank captures real-time data to shape policy, research, and innovation for wider impact.

## Why Dholpur?

Dholpur, located near the Chambal Ghats on Rajasthan's eastern border, is one of five districts identified under NITI Aayog's Aspirational Districts Programme—an ambitious national mission launched by the Hon'ble Prime Minister to fast-track development in India's most underdeveloped regions. This geography is among the most underserved in the state and demands urgent, localized interventions.

## Geographical Footprint

In one year of operations since inception, Jagan Foundation has established a strong and growing presence in the underserved regions of Rajasthan:

- ▶ **40+** Villages across Dholpur, Bharatpur and Jaipur
- ▶ **10+** Government Schools & Colleges engaged
- ▶ **4K+** Women reached through menstrual health awareness
- ▶ **8K+** Women trained in financial literacy

### Vision

'Securing Futures' by fostering sustainable development and social equity in underserved communities to create resilient societies via a data-driven and systems-driven approach towards development

### Mission

Driving sustainable change by combining grassroots action with research-led policy insights.

## What We Do

A **Social Impact Enterprise + Indigenous Think Tank** model working across underserved communities in Rajasthan.

## Social Enterprise

- ▶ Implement grassroots programmes in public health, education, and skilling
- ▶ Pilot social impact products and gather user feedback
- ▶ Build trust and engagement through sustained presence

## Think Tank – Jagan Innovation & Research

- ▶ Conduct primary field research and surveys
- ▶ Analyse data to identify trends and gaps
- ▶ Develop policy briefs and insights for NGOs, CSR, and government

### Focus Areas

#### GENDER EQUITY

- ▶ Menstrual Health & Climate: Awareness + distribution of climate friendly menstrual pads
- ▶ Financial Literacy: Rural women equipped with savings, investment & fiscal budgeting skills

#### EDUCATION & SKILLING

- ▶ Job Ready: Vocational skills for rural youth
- ▶ WASH: Potable water access in public schools

#### PRISON REFORMS

Agla Kadam: Legal literacy, physical wellness, and gender sensitization with inmates in Dholpur Prison

## Leadership Team

Local leadership for lasting impact

### **Malvika Mudgal, CEO & Co-founder**

A development strategist with 15+ years of cross-sectoral experience, Malvika has worked with global corporations and international organisations including USAID, Hitachi, Eli Lilly, Viatris, and Cargill. She brings deep expertise in policy advocacy, CSR, media relations, and reputation management, having worked across domains like agriculture, biotech, defense, F&B, and IT. Now leading development in her native Dholpur, she anchors the Foundation's vision, partnerships, and programme design with a sharp focus on equity and impact.

### **Dushyant Sharma, COO & Co-founder**

With over 12 years of experience in grassroots operations and vocational training, Dushyant leads programme delivery, monitoring, and inclusive community engagement. Born and raised in Rajasthan, he works directly with local stakeholders to ensure meaningful, on-the-ground impact.
